The Role of Family

Providing excellent care right at your home is what we do best at **At-HomeCare of CT, LLC**. We totally acknowledge your family's role to your overall recovery right in the place where you are always comfortable and that is your home.

The role of the family is crucial as you go through a certain health condition and even during your senior years. The mutual bond and the daily memories with your loved ones are certainly a treasure that costs more than a lifetime. Moreover, your family's words and encouragements are essential to your health's welfare and total recovery.

Good to know that home care services are provided to meet your needs while not compromising the chance of living along with your cherished loved ones. Since we will be the one who will visit you at home, we will constantly communicate and coordinate with your family.

We Take Time to Know Your Family

At **At-HomeCare of CT, LLC**, we encourage your loved ones to take part to your recovery. With that, we do our best to know your loved ones better.

- ★ We appreciate and respect your loved ones' opinions
- ★ We develop a healthy and long-lasting relationship with your family.
- ★ We provide education and guidance to your family with regard to your recovery.

We care for you more than just a client. **At-HomeCare of CT, LLC** sincerely treats you and your loved ones like our own family.

Let **At-HomeCare of CT, LLC** provides you with a motherly care as you take your path to recovery right at your home.
