

"At-HomeCare of CT has the most caring and compassionate staff to care for your loved one. Professional, and consistent caregivers that truly go above and beyond! I felt so blessed to have them take care of my mother. Jacquie, Karla, Luz, Rosa, Cynthia and Marsha were amazing. Amanda has a wonderful way of connecting her staff to fit the exact needs of the patient. I will forever be grateful for having them in our lives and highly recommend them."

"Great staff! The girls are an amazing help when it comes to care for a family member! They provide the best caregivers for our loved ones! Definitely a 5 star experience!

"I am very pleased with the service that my mom received from the staff at At-Home care of Bethel CT. The entire staff did an amazing job in making my mom's care so wonderful."

A circular inset photograph showing three diverse healthcare professionals (two women and one man) smiling and posing together. They are wearing blue, green, and red scrubs. The woman in the center is wearing a green scrub top, the woman on the left is wearing a blue scrub top, and the woman on the right is wearing a red scrub top. They are all smiling warmly at the camera. The background of the photo is white. The circular inset is set against a dark blue background with a faint grid pattern.

ABOUT US:

At-HomeCare of CT, LLC is a responsive, reliable & experienced provider of home health care services ranging from companionship and homemaking to full-time live in care. Family owned and operated, and now in its second generation, we have been serving the local community for more than two decades!

The At-HomeCare of CT team continues to be recognized as a leader in non-medical care and prides itself on continuing a legacy of quality and compassion. Your family is our family and clients often work directly with the owners who are onsite and oversee all day to day operations.

Our services can support many needs:

- ❖ **Aging in Place**
- ❖ **Assistance with Daily Activities of Living**
- ❖ **Long-term illness**
- ❖ **Short term injuries or illness**
- ❖ **Respite Care and more...**

With At-HomeCare of CT, LLC as a partner in the care of yourself or your loved one, you can rest easy knowing you have a team of professional and devoted caregivers who provide a variety of services to suit your needs and schedule. Our Personal Care Assistants are fully trained in all aspects of their responsibilities and receive ongoing training.

Our team is experienced in providing support to those aging in place as well as those recovering from both short-term illnesses and those afflicted with longer term conditions. Our talented team is able to provide hourly, daily, weekly as well as intermittent and full-time live-in care.

Studies show that engaging a professional provider in your plan of care enhances quality of life and can help prevent further illness and injuries.

Learn more about the services **At-Homecare of CT, LLC** provides:

❖ **PERSONAL CARE ASSISTANT**

Assists with non-medical personal hands on care such as bathing, oral & skin care, toileting, transfers, medication reminders, meal preparation and feeding, light housekeeping and other duties.

❖ **HOMEMAKER / COMPANION**

Performs home tasks such as sweeping, dusting, changing bed linens, laundry, cleaning bathrooms, washing dishes, grocery shopping and meal prep, provides transportation as needed and other appropriate tasks.

❖ **LIVE IN CARE**

24-hour care with support staff as needed for the well-being of the clients. Live-in services consist of different levels of care performed by a consistent caregiver with support depending on the plan of care.

❖ **RESPIRE CARE**

For those times when a primary caregiver may be unavailable, At-HomeCare of CT, LLC is here to help. We can provide daily, weekly or other pre-arranged schedules and support a plan of care that is in place.
